### SECOND SUSPECT ARRESTED IN ATTEMPTED ROBBERY

Sheriff Carter Weaver has announced the arrest of a 16-year-old juvenile in connection with an attempted armed robbery at McDonald's in Pawleys Island on March 31. The suspect, who was 15 at the time of the crime, is charged with Attempted Robbery and Assault 2nd Degree, and is en route to the Department of Juvenile Justice in Columbia.

Another suspect, only 12 years old, was arrested April 10.

The two males are suspected of demanding money from a female employee of the restaurant as she walked to her car after completing her shift. The woman, age 17, was struck in the head with what she described as a rifle-style firearm after one of the suspects fired three shots that missed. The suspects fled without stealing her purse.

The investigation is ongoing, and anyone with information should call 843-546-5102.
